**CAUTION.**  
**TO CONSUMERS OF KEROSENE OIL.**

---

Owing to the many explosions which are occurring almost every day, by the use of Oils sold under the head of "Kerosene," we would caution all those using Kerosene Oil, to procure their supply from a reliable source as there are many oils in market adulterated with explosive liquids, or imperfectly manufactured. Therefore too much care cannot be taken to obtain the "genuine," which can at all times be found at 133 and 135 Westminster, 7, 9, and 11 Dorrance Street, Howard Building.

A great variety of Kerosene Lamps, Chimneys, Chimney Brushes, Wicks, &c., constantly on hand.
